FERRARI F1 CLUB THE PLACE TO BE

Get yourself booked into the Ferrari Formula 1 Club, Scuderia Ferrari's hospitality suite and enjoy an unforgettable race weekend!

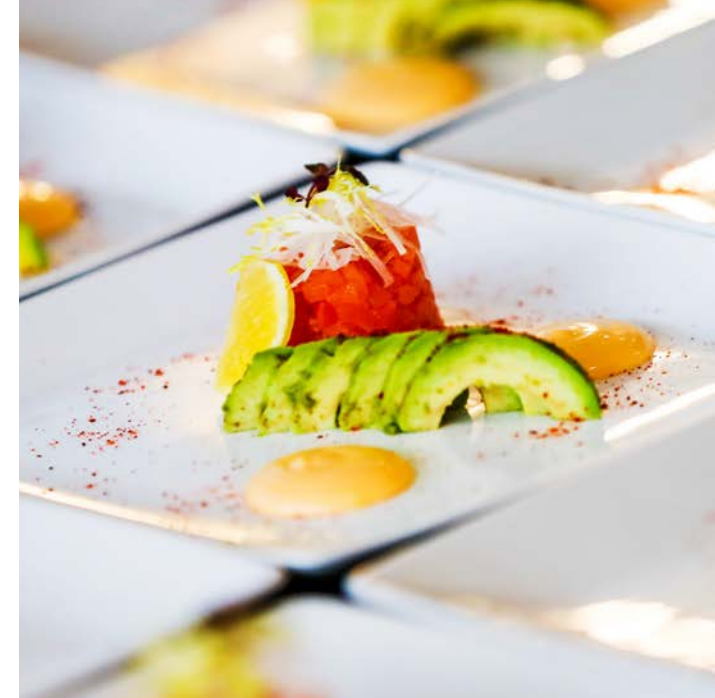

Spend the Grand Prix weekend in an exclusive location, watch interviews with Drivers, the Team Principal and team members, while following all the behind the scenes action with experts who can give you the inside line on this fascinating and very special sport.

You will also get to the heart of the action, with access to the Pit Lane, during the special Pit Lane Walk, when you can watch the Team as they prepare the cars and practice pit stops.

UNIQUE FOOD EXPERIENCE

There's a unique atmosphere, buzzing with energy and glamour, with food and fine wines experiences of the very highest level, there to be enjoyed all day long.

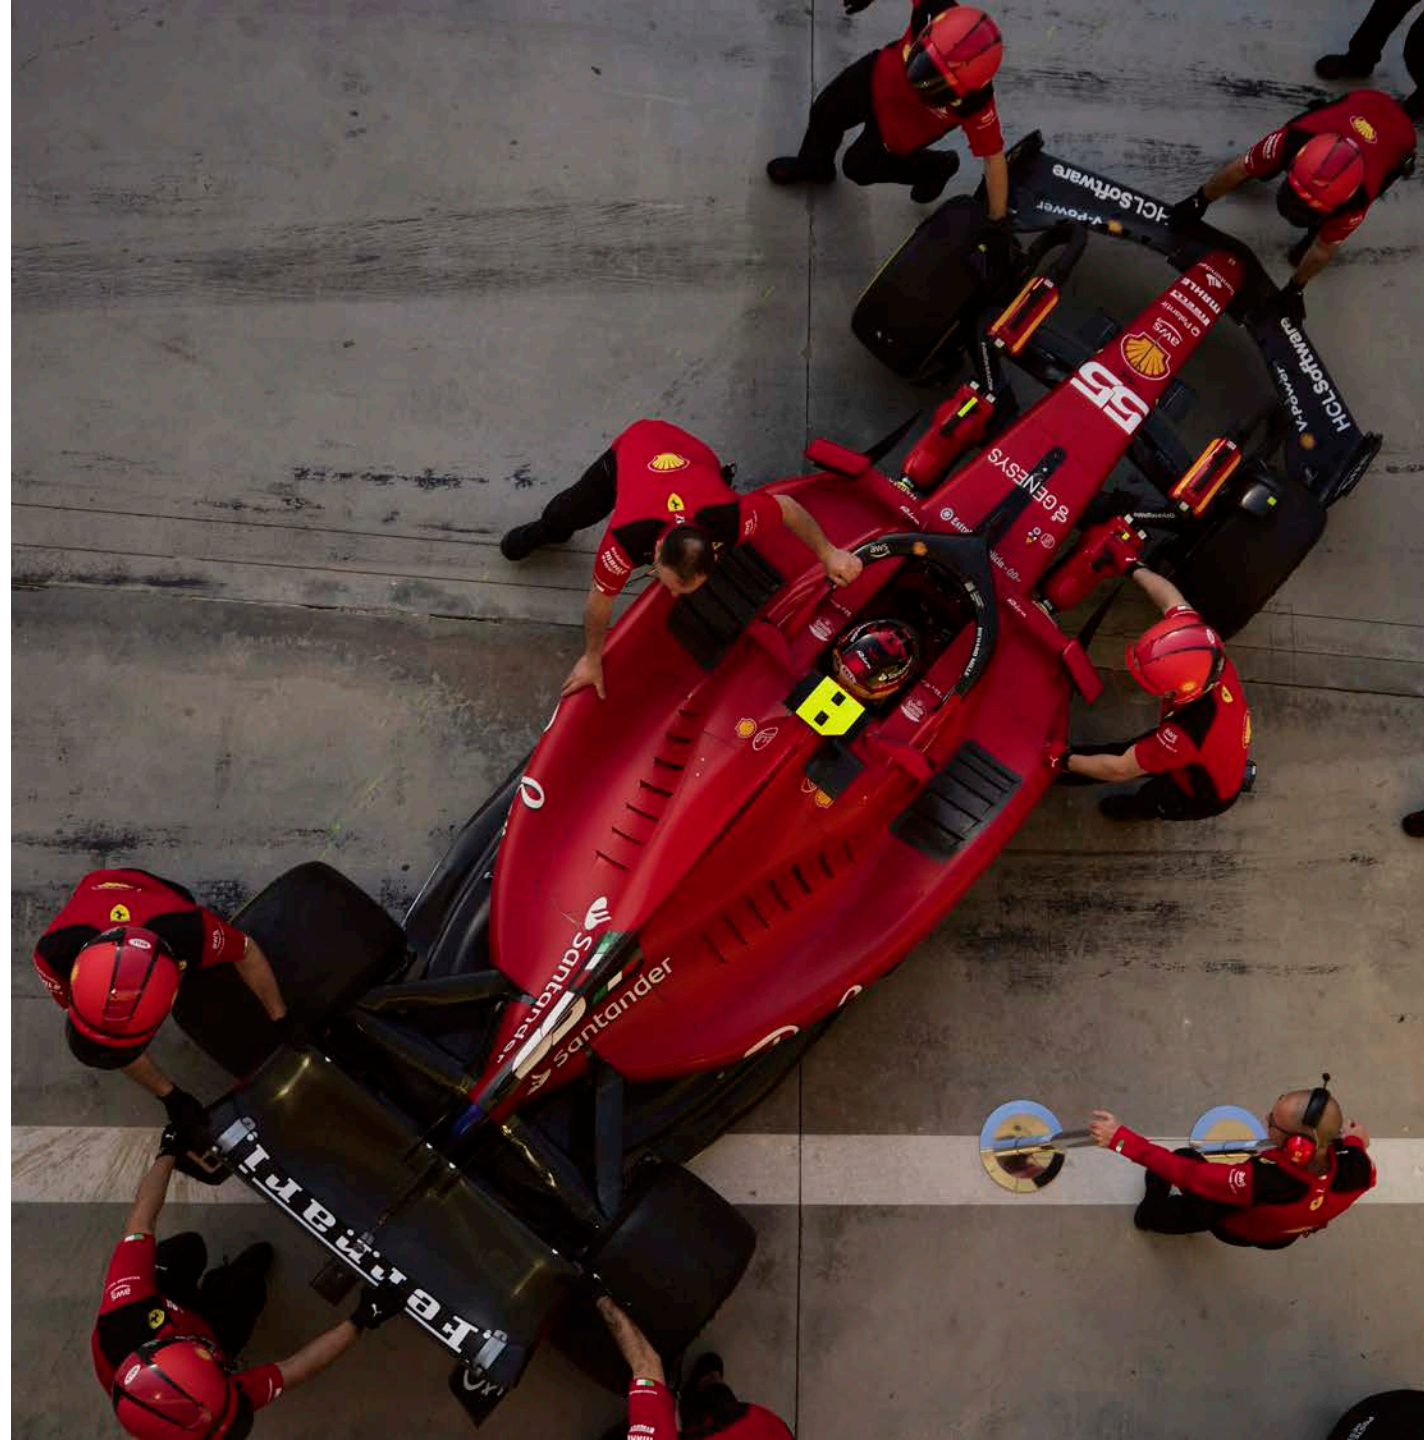

AMAZING POSITION

The Ferrari Formula 1 Club is located to give you the best possible vantage point from which to enjoy the show, right in the middle of the circuit, alongside the main straight, right above the Team's pit garage.

All weekend, there's something to see here, from the **super-fast pit stops**, to all the track action in practice, qualifying and the race, as well as being able to see the crowds in the grandstands.

It's the ideal place to get the best of the cars lining up on the starting grid before the GP, a moment of pure adrenalin!

MEET THE TEAM

You'll be able to watch live interviews with the Scuderia Ferrari drivers and the Team Principal just before or immediately after the most important moments of the weekend.

On top of that, some other team members and special guests will share their insights and behind the scene that will make you feel part of the Scuderia.

THE SUITE

The Ferrari F1 Club is for the **exclusive use of Ferrari guests** and it is located within the Paddock Club. It has been created to give you a totally immersive experience of the Scuderia Ferrari world, with access to digital experiences, live entertainment and incredible gourmet cuisine.

Once you enter the suite, you will experience the full Ferrari Formula 1 Club hospitality, with our Ferrari Hospitality Team guiding you through this wonderful Experience.

ENJOY IN A SUSTAINABLE ENVIRONMENT

Ferrari takes respect for the environment very seriously, which is why the Ferrari F1 Club uses **recyclable materials** with a low environmental impact.

The structure is actually made of an aluminum composite, which is completely recyclable and the graphics are made with recyclable and recycled PVC. The materials used have a long lifespan and are **maintenance-free**.

WHAT YOU NEED TO KNOW

What if I forget my pass or I arrive with one for another day with me?

Access to the Paddock Club™ area is only allowed after showing the pass. Therefore, anyone having the wrong pass or not able to show a pass at all, will not be allowed in.

What is the difference between the Paddock Club™ area and the Paddock at the track?

The Paddock Club™ is the area in which all teams host their guests in the hospitality suites. The Ferrari Formula1® Club is located in the same area. At most events, the Ferrari suite is located above the garages to provide the guests with an exclusive view of the starting grid and the pit lane.

The area called the paddock, is the one right behind the garages and it is exclusively reserved for Formula1® teams and media.

In European races you will find the Motorhomes in the paddock area together with the trucks that follow the Teams all around Europe, while during overseas races all the Teams use the facilities provided by the circuit.

N.B. None of the tickets on sale include access to the paddock at any of the Formula1® GPs, as the paddock is a

working area.

What if Ferrari Formula1® Club does not reach the minimum number required for the private suite?

If the minimum number required is not reached, guests will then be hosted in the Club Suite area in the general Paddock Club area above the garages. All services will be the same, with the exception of the private area. One Ferrari F1 Club Staff Member will be present at all times to attend to all your needs.

The Grands Prix that are likely to be held in the Club Lounge area are: Austria and Baku.

If I purchase a Ferrari Formula1® Club ticket, am I also entitled to a car park pass for my car?

Car Paring passes can be requested only if the tickets order match the ratio for that specific GP.

Guests can request 1 car Parking Pass:

- Each 3 tickets for Bahrain, Saudi, Baku, Imola, Spain, Austria, UK, Hungary, Belgium, Monza, Qatar, Mexico and Abu Dhabi;
- Each 4 tickets for Miami, Canada, Monaco, Japan and Austin;
- Each 5 tickets for Netherlands.
- Each 10 tickets for Brasil.

No parking pass is available in Australia,

Singapore and Las Vegas.

Are children allowed? Is there a discount for them?

Children up to and including the age of 7 years old are not allowed to access the Ferrari Formula1® Club, even if they are in possession of a ticket, unless accompanied by his/her parent.

There are no discounts for any sort of different category of guests (children, students, over-60s, etc.).

Can my Ferrari Formula1® Club tickets be sent?

Tickets will not be delivered to home addresses, due to the very limited time available. This means that when you book your tickets, you will see the team hotel address where tickets will be left as follows:-European Races -starting from Thursday of race week, most likely after 10pm. Races outside Europe- starting from Wednesday of race week, most likely after 10pm. Further confirmation will be sent by the Ferrari F1 Staff 1 week before the event to confirm the exact person collecting the tickets.

WHAT YOU NEED TO KNOW

When will I need to purchase a chauffeur pass?

The chauffeur (or driver) pass allows drivers of vehicles (with a car parking pass or a coach/bus parking pass) to access the Paddock Club™ parking area only. However, this pass does NOT include access to the Ferrari Formula1® Club or any other hospitality suite inside the Paddock Club™. Chauffeur/Driver pass is required for Spain, Austria, UK, Hungary, Belgium, Monza, Japan, Qatar, Austin, Mexico, Brasil and Abu Dhabi.

When will I need a coach pass?

A Coach (or Bus) Pass will be required for vehicles from 15 seats and it will need to be exchanged with 5 parking passes. Additional coach passes will need approval.

For how many days is my Ferrari Formula1® Club ticket valid?

Each Ferrari Formula1® Club package will include a pass for each day of the GP Weekend.

Each pass will be valid for one day only. The passes can be used by different people on the different days of the race weekend, but

by no more than one person on the same day. With the exception of the Monaco GP (Saturday and Sunday only) the term “race weekend” in the context of the 2023 season refers to three (3) days (Friday, Saturday and Sunday).

If I purchase a weekend package, can I give the tickets to different people?

The Ferrari Formula1® Club package includes a pass for each single day of the event, the passes are not linked to a person's name. Therefore specific passes can be used by different guests on different days, but only one person per day. Once the holder has entered the hospitality area, his or her day pass becomes non-transferable.

Can I cancel my order or ask for my money back?

Once you have bought your Ferrari Formula1® Club ticket, you cannot cancel your order and/or ask for your money back. This policy is fully explained at the point of purchase.

Does the Ferrari Formula1® Club have a dress code?

Smart-casual attire is recommended. Sports and beachwear are not permitted.

At what time does the Ferrari Formula1® Club open and close?

The times vary from race to race. You will find a programme to download on the race you have chosen which refers to the previous season. You will be forwarded a detailed programme 1 week before the event by email and/or one will be included in the ticket package you will receive.

The background of the entire image is a close-up, high-angle shot of a blue-painted asphalt pit lane floor. Several large, bright yellow chevron arrows are painted on the surface, pointing towards the bottom right. In the upper right quadrant, there is a piece of technical equipment, likely a pit board or a data logger, with various cables and connectors. The floor also features some faint, dark markings, possibly numbers or letters, which are partially obscured by the text and shadows.
